Re: Tariff WN U-28, Electric Service
Residential and Small Farm Energy Rate Adjustment Credit

Dear Mr. Johnson:

Attached for electronic filing with the Commission is the following tariff sheet proposed to be effective November 1, 2021:

Nineteenth Revision Sheet 59 Canceling Eighteenth Revision Sheet 59

The proposed tariff sheet reflects a rate adjustment to increase the rebate related to Residential Exchange Program benefits the Company receives from the Bonneville Power Administration. The Residential Exchange Program provides a share of the benefits of the federal Columbia River power system to the residential and small-farm customers of the six investor utilities of the Pacific Northwest including Avista.

Under the current Residential Exchange rate adjustment, approximately \$9.9 million annually is being passed through to applicable customers through a uniform 0.386¢ per kilowatt-hour rate credit. The current rate was approved by the Washington Utilities and Transportation Commission effective November 1, 2020.

The proposed rate credit of 0.417¢ per kilowatt-hour is designed to pass through approximately \$10.7 million which represents the Washington portion of the annual level of benefits Avista will receive starting in October 2021. The Company is therefore proposing an overall revenue decrease of \$0.8 million or 0.1%. The change in rate credit has no effect on Avista's net income.

Enclosed is a set of workpapers that shows the derivation of the proposed 0.417¢ per kilowatt-hour rate credit proposed to be effective November 1, 2021. The average residential customer using 914 kWhs per month will see a decrease of \$0.28 per month, or approximately 0.3%. The present

bill for 914 kWhs is \$81.22 while the proposed bill is \$80.94. The actual decrease will vary based on customer usage.

The Company has included workpapers with its filing which supports the Company's request. Also, the Company has provided in this filing a copy of its customer notice which will be included as a bill insert in the September – October time frame. Please direct any questions regarding this filing to Tia Benjamin at (509) 495-2225.
