**RE: Advice No. 2024-13
Puget Sound Energy's Natural Gas Tariff Revision**

Dear Executive Director Killip:

Pursuant to RCW 80.28.060 and WAC 480-80-101 and -105, please find enclosed for filing the following proposed revisions to the WN U-2, tariff for natural gas service of Puget Sound Energy ("PSE" or the "Company"):

11 th Revision	Sheet No. 1140-B	Property Tax Tracker (Continued)
---------------------------	------------------	----------------------------------

The purpose of this filing is to implement changes to rates under the established Property Tax Tracker, as provided in the Commission's Order 07 (Final Order Granting Petition) in Dockets UE-121697 and UG-121705 (consolidated) which was combined with the Commission's Order 07 (Final Order Authorizing Rates) in Dockets UE-130137 and UG-130138 (consolidated) ("Order 07") and the Commission's Final Order Settlement Stipulation and Agreement in Dockets UE-220066, UG-220067 and UG-210918 (consolidated). Supplemental Schedule 140 includes a mechanism for adjusting rates annually, both up and down; to pass through the costs of property taxes consistent with the amounts PSE pays.

This proposal represents a \$6.9M decrease in the property tax revenue requirement from the previous year. This change results in an overall average 0.54 percent decrease in customer bills. The typical residential customer using 64 therms per month would experience a \$0.40 decrease in their monthly bill or 0.50 percent decrease.

The tariff sheet described herein reflects an issue date of March 25, 2024, and effective date of May 1, 2024. Posting of proposed tariff changes, as required by law and the Commission's rules and regulations, is being completed through web, telephone and mail access in accordance with WAC 480-90-193. Although not required, notice to the public under the provisions of WAC 480-90-194 will be provided within 30 days of the May 1, 2024 effective date.

Jeff Killip, Executive Director and Secretary
