Subject: FW: Closing of Logen Road Docket TR-090121

As a docket has now been opened (TR-090121) please include this email in the record of the proceeding as an objection to the closing of Logen Road in accordance with WAC 480-07-660 and RCW 81-53.060.

Thank you.

Since there is no Docket Number established for the closing of the Logen Road crossing of the BNSFRR I am sending this email to you rather than to the records center.

RCW 81.53.060 contains provisions where a crossing may be closed without hearing. Those can only become operable if "no objections are received by the commission within twenty days from the date of the publication of the notice." Of course the notice that is being referred to in this law is the notice of the filing of the petition with the Commission, which has not been done to date. So this is a little early, but I wanted to get it on record.

Thank you.

Good morning Lynn,

The petition has not yet been filed at the commission. It's my understanding that BNSF Railway will be filing the petition soon. As soon as it is filed, I will e-mail you a copy.

A community information meeting has been scheduled to discuss the proposal, attached is a copy with specifics on the meeting.

Hope to see you there.

Thanks -

I was just looking at the WUtC web site and I could not find the docket for closing this crossing. Can you tell me the Docket No.? I would also like a copy of the petition if it is not posted on the web site. If the petition was filed as confidential, please let me know that fact as well so I can make a formal request.

Thank you.
