**RE: Docket No. TG-121265**  
**Washington Utilities & Transportation Commission v. Waste Management of Washington, Inc. (Certificate No. G-237)**

Dear Mr. King:

Pursuant to Section III.B of the *Settlement Agreement* and Paragraph 9 of the *Final Order Approving Settlement Agreement* in the above-referenced docket, I am certifying, on behalf of Waste Management of Washington, Inc., the correct application of credits to each residential, multi-family, and commercial customer account that was active on the Credit Issue Date (**September 20, 2013**) for each category of collection customer/service identified in Section III.A of the Settlement Agreement and listed below.<sup>1</sup> As required by the Settlement Agreement, the following table summarizes the actual number of customers and credits applied by type of customer/service.

Type of Customer/Service	Number of Customers	Credit per Customer	Total Credits
Residential garbage and/or recycling with yard waste	57,275	\$5.00	\$286,375.00
Residential garbage and/or recycling without yard waste	67,245	3.50	\$235,357.50
Residential yard waste only	402	\$1.50	\$603.00
Commercial and multi-family garbage with cart or can service (less than 3 cans/carts)	686	\$3.50	\$2,401.00
Commercial and multi-family garbage with cart or can service (3 or more cans/carts)	112	\$25.00	\$2,800.00
Commercial and multi-family garbage with container service (excluding roll-off)	3,947	\$25.00	\$98,675.00
<b>Total</b>	129,667		\$626,211.50

In addition, I am attaching to this letter representative examples of customer invoices (Attachment A) showing the applicable credits and representative examples of database printouts (Attachment B) showing individual customer records with applicable credits. The sample database

<sup>1</sup> The Settlement Agreement and Final Order require submittal of this certification by October 20<sup>th</sup>, *i.e.*, within 30 days after the Credit Issue Date. The Synopsis to the Order incorrectly states that this report is due within 30 days of the Order.

October 7, 2013

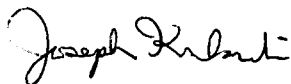

printout pages are those pages that reference the accounts shown on the sample invoices.<sup>2</sup> I have redacted the address information for each account and other identifying account information, other than the specific account number. If you need further information, please let me know

Please recognize that WMW has applied these one-time credits to each residential, multi-family, and commercial customer account that was active on September 20, 2013 – the date determined by WMW to be the “Credit Issue Date” under Section III.A (¶ 12) of the Settlement Agreement. For residential customers, who are billed quarterly, the credits will be included on the next quarterly invoices issued beginning on their next invoice. Those invoices will start being mailed about October 10<sup>th</sup>. For commercial and multi-family customers, which are billed monthly, the credits will be included on their next monthly invoice, which will start being mailed on or after October 17<sup>th</sup>.

*I certify under penalty of law, based on information and belief formed after reasonable inquiry, the statements and information contained in this letter and in the attached documents are true, accurate and complete.*

Sincerely,

WASTE MANAGEMENT OF WASHINGTON, INC.

Joseph Krukowski, Vice President
