.....

- 1* Administrative Law Judge Marguerite E. Friedlander entered Order 01, Initial Order Granting Request to Dismiss Complaint Against Master Call Corporation and Granting Request to Find Remaining Companies in Default and Revoking Registrations, in this docket on February 21, 2014.
- 2* No party petitioned for administrative review of the initial order within the time for filing petitions for administrative review or received an extension of time to file such a petition. The Washington Utilities and Transportation Commission (Commission) did not give notice of its intention to review the order on its own motion.
- 3* Therefore, under RCW 80.01.060(3), the order became final on March 14, 2014, by operation of law.

- 4 In allowing this order to become final, the Commission does not endorse the order's reasoning and conclusions. If cited in the future, the order must be identified as an Administrative Law Judge's order.

Sincerely,

STEVEN V. KING  
Executive Director and Secretary
