To whom it may concern:

My name is Duane Coggins and I am the owner operator of Kokopelli's run. I received a notice of opportunity to respond to a motion to impose suspended penalty recently and I wish to do so at this time.

Let me start by saying that I do not deny the allegations levied against me. I only ask at this time that you hear me out.

As you well know 2020 has been a very difficult year for all businesses and with this letter, I am not asking for forgiveness only the possibility of leniency. I know full well the fines that have been levied against me in the past and that this is a repeat of those charges.

In these days of the "pandemic" it has been extremely hard to earn a living.

My hope would be that as the commission makes it's final decision on what to do that they would remember that when the fines were levied against me before, I made those payments in full in a timely manner and if the commission chooses to Levy whatever fine against me this time that the same consideration of payments would be considered.

In closing I would like the commission to know that I fully intend to get reinstated and to stay reinstated in good standing.

Thank you for your time

Sincerely

Duane Coggins  
Owner  
Kokopelli's run
