My name is Satwinder Singh, owner of Luxury1 Limo, LLC (UBI 603 160 017), address 32010 111th ct Se, Auburn, WA 98092, Phone number 206 578 2151, Email info@luxurylimoseattle.com

I own and operate Luxury1 Limo, llc dba Luxury Limos & Tours and responsible for making key decisions for the company. I am writing to commission regarding Docket No: TE-190842 Order 03 Imposing Suspended Penalty by Rayne Pearson which was sent on December 8th, 2020.

Reason for petition: I'd like to file for petition with the UTC to reconsider the final order under WAC 480-07-850 & WAC 480-07-820.

Initially Luxury1 Limo, llc was charged in December 2019 for operating without a certificate and fined \$10,000 with \$9,000 of which was waived.

Company originally adhered to the findings and considered reapplying for the the certificate but COVID 19 had heavily impacted the company; therefore, Luxury1 LIMO shifted gears corporate services, however the company timing was affected by COVID 19. With so many shifts and affects on group travel, social events, and tourism, Luxury1 Limo has sold the 2001 Freightliner Bus which was regulated by the commission. As of now, company has one unit for airport transit and will be soon be out of business. I'd like the commission to accept my humble request to dismiss the remainder fine as Luxury1 limo works on reviving itself in the years. The \$9,000 fine will force the company into filing bankruptcy and drive us completely out of business as we were heavily impacted by COVID and would like the commission to pardon us for wrongdoings. Luxury1 Limo, llc hopes to reapply for UTC in the near future if/when traveling and tourism reopens.

Company accepts and will pay any previous fine owed and attached you'll find the proof of sale of 2001 Freightliner.

Please let us know if you need anything else from us.
