Re: UG-210094 - NW Natural's 2022 Integrated Resource Plan (IRP)

In accordance with Order 04 in docket UG-190711, Northwest Natural Gas Company, dba NW Natural (NW Natural or Company), hereby submits its Final 2022 IRP.

Consistent with feedback from stakeholders participating in the IRP Technical Working Group meetings, NW Natural is compiling supporting workpapers in a manner that will allow for stakeholders to easily access and work with the supporting data. This compilation will take additional time but will result in a more usable and transparent data set. These workpapers will be provided in the coming weeks.

Please address correspondence on this matter to me with copies to the following:
