Docket U-210542**

Dear Ms. Maxwell:

On November 22, 2021, the Washington Utilities and Transportation Commission issued an Amended Notice of Item to be Heard at the Commission's Regularly Scheduled Open Meeting and Notice of Opportunity to file Written Comments ("Amended Notice") in the above-referenced docket.

Consistent with the Amended Notice, attached please find Puget Sound Energy's ("PSE's") updated notice to customers ("Updated Notice") pursuant to WAC 480-143-210. The Updated Notice reflects that (1) this matter will be considered at the December 23 Open Meeting, as opposed to the December 9th Open Meeting, and (2) the last date for customers to mail in comments is now December 6th, as opposed to November 22nd. PSE posted the Updated Notice on its website on November 23, 2021. The Updated Notice will remain on PSE's website through December 23, 2021, the date of the Open Meeting.

A copy of the Updated Notice is attached as Attachment A.

If you have any questions regarding this filing, please do not hesitate to contact me.

Sincerely,

/s/ Jon Piliaris
