**NOTICE CONCERNING TIMING OF THE
COMMISSION'S FINAL ORDER**

RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc.*,
Docket No. UE-031725

TO ALL PARTIES:

The Commission's Order No. 12—Granting Regulatory Approvals for Fredrickson I Acquisition; Resolving Disputed Gas Price Issue, expressly reserved resolution of disputed issues concerning Tenaska and Encogen for determination in a separate order. The Commission's Order No. 12 states, "The Commission anticipates that it will enter a subsequent order determining those issues by April 30, 2004, barring unforeseen circumstances."

Due to the Commission's workload since entry of Order No. 12, on April 7, 2004, it will not be possible for the Commission to enter its final order resolving the Tenaska and Encogen issues by April 30, 2004. The Commission expects to enter the subject order during the week of May 10, 2004.

Sincerely,

DENNIS J. MOSS
Administrative Law Judge
