This supplemental filing is made in accordance with RCW 80.28.060, WAC 480-80-101 and -105, and WAC 480-07-880; and in compliance with Washington Utilities and Transportation Commission (Commission) Order 05 in consolidated dockets UG-200994, UG-200995, UG-200996, and UG-210085 issued October 21, 2021 (Order 05).¹

¹ *Washington Utilities and Transportation Commission v. Northwest Natural Gas, d/b/a NW Natural*, Docket UG-200994, Order 05, (Oct. 21, 2021).

On October 25, 2021, NW Natural submitted its compliance filing in the above-referenced dockets in compliance with Order 05. The Company has discovered inadvertent errors in the tariff sheets listed in the table above due to formula errors. NW Natural has corrected the rates in these schedules and submits the enclosed tariff pages to replace these same pages that were filed in NWN WUTC Advice No. 21-09 on October 25.

In addition, NW Natural is resubmitting Exhibit A to correct the rates listed for Schedule 43, which were inadvertently not updated in the Company's October 25 filing. The enclosed Exhibit A replaces the one filed in the October 25 filing in its entirety.

Conclusion

NW Natural respectfully requests that the supplemental tariff sheet revisions listed in the table above be approved with an effective date of November 1, 2021 and November 1, 2022, as applicable.

As required by WAC 480-07-880(3), a copy of this compliance filing is being served on each party to this proceeding. The filing, along with an updated work paper, is being served via email.

As requested by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

A copy of the filing is available for public inspection in the Company's main office in Portland, Oregon and on its website at www.nwnatural.com.
