

WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION  
STAFF RESPONSES TO DATA REQUESTS

DATE PREPARED: June 18, 2024	WITNESS: Benjamin Sharbono
DOCKET: TG-230778	RESPONDER: Benjamin Sharbono
REQUESTER: Murrey's	TELEPHONE: 360-664-1242

**DATA REQUEST NO. 11:**

Provide any citations from 2022 to the present for any regulated company general rate cases you identify where insurance deductibles were normalized and over what period of time in reference to your testimony at BS-1CT, 7 that "... Commission rules state that extraordinary items should be eliminated or normalized."

**RESPONSE:**

Staff has identified no rate case order issued between 2022 and the present, but it has not performed any searches for such orders. Staff is aware of no litigated solid waste general rate cases over that period, which means that all such cases were addressed at an open meeting where the Commission approved results-only settlements between staff, the company, and any intervenors.
