Subject: Electric rule-making - net metering rule

As part as the electric companies rule-making process, commission staff is including a draft [new] rule to reflect the language incorporated in RCW 80.60.

As it has been announced, nother stakeholder meeting will take place on 10/14-15 at the commission's hearing room.

Please, see attached the workshop agenda and the net metering draft rule.

netmeter.wp

- Wrkshop3.wpd

We expect to discuss this topic during the Thursday (10/14) morning session.

You can also send comments to the commission as specified in the commission's notice of workshop:

wksnote.wp

We appreciate your comments.
