4 **Q. Please state your name and business address.**

5 A. My name is Joel L. Molander. My business address is 10885 N.E. 4th Street, P.O.  
6 Box 97034, Bellevue WA 98004.

7 **Q. By whom are you employed and in what capacity?**

8 A. I am employed by Puget Sound Energy (“PSE”) as Director, IT Business Partner  
9 Engagement, and have served in this position since January 1, 2017. However,  
10 my testimony reflects business activities undertaken in my prior role as Director,  
11 Corporate Shared Services.

12 **Q. What were your duties as Director, Corporate Shared Services?**

13 A. As Director, Corporate Shared Services, my responsibilities included the  
14 management and oversight of PSE’s portfolio of owned and leased facilities  
15 infrastructure. In addition, I was responsible for PSE’s corporate security, fleet,  
16 business continuity and emergency management functions.

17 **Q. Briefly describe your education and relevant employment experience.**

18 A. I graduated from the University of Puget Sound in 1994 with a Bachelor’s of  
19 Science degree in Economics. I received a Master’s degree in Business  
20 Administration from the University of Washington in 2002.

I have over 20 years of experience in the energy/utility industry, with extensive experience in infrastructure asset management and performance analysis spanning hydroelectric, wind, and facilities assets. In addition, my experience with PSE has included supply chain management, business continuity and emergency management, fleet and corporate security.

I held the position of Director, Corporate Shared Services between September 2014 and December 2016. From September 2012 to September 2014, I was employed by PSE as Director, Operational Strategic Planning, leading an enterprise-wide business transformation planning organization. Between 1998 and 2012, I was employed by PSE in its generation business unit and held a number of management and individual contributor positions, including Director, Wind Resources and Asset Management; Manager, Hydroelectric Resources; Financial Asset Manager; and Performance Analyst.

From 1995 to 1998, I was employed by The Nielsen-Wurster Group, Inc., an engineering and management consultancy, as an Analyst and Senior Analyst.
