UTC STAFF DATA REQUEST NO. 20:

Please provide, in Excel (.xlsx) format, a complete set of the call detail records for all of the calls identified in the summary table Confidential Attachment DR 2 provided to Staff in response to informal Staff DR CP 1, provided on October 2, 2020 (Confidential Attachment A).

RESPONSE:

Attached as Confidential Attachment Staff 20 is an excel version of the Call Data Records (“CDRs”) for December 27-29, 2018. The attachment includes all Washington data, and is not isolated for PSAPs served (at the time) by CenturyLink or Comtech. Much as Staff did in its Confidential Attachment C to Staff DR 22, to make the attachment a manageable size, CLC has removed irrelevant columns and data.

Respondent: CenturyLink Legal
