**NOTICE OF CONTINUED PREHEARING CONFERENCE  
(Set for September 15, 2004)**

RE: In the Matter of the Review of Unbundled Loop and Switching Rates; the Deaveraged Zone Rate Structure, and Unbundled Network Elements, Transport, and Termination (Non-recurring costs)  
Docket No. UT-033034

TO ALL THE PARTIES:

On June 7, 2004, Verizon, AT&T, MCI, Covad and Commission Staff requested a continuance of the prehearing conference scheduled in this non-recurring cost docket for June 8, 2004. They based their request on the need to complete the post-hearing process related to the just-finished recurring cost hearing and to re-evaluate the necessity for the non-recurring cost proceeding. They asked that the prehearing conference be rescheduled to a date in mid to late September.

Based on the parties' request and on a review of the Commission's overall schedule for hearings in the next four months, a continuance of the prehearing conference is reasonable.

**NOTICE IS GIVEN that the prehearing conference now scheduled in this docket on June 8, 2004 is continued until September 15, 2004.**

Sincerely,

THEODORA M. MACE  
Administrative Law judge
