

ATTACHMENT C

AGREEMENT for COMMERCIAL RECYCLING SERVICES with T&T RECOVERY, Inc.

_____ (Customer) hereby
agrees with the following requirements for the placement of a T&T Recyclable Materials Box at (address)

Billing Address: _____

Jobsite Phone: _____ Office Phone: _____

- The T&T Recyclable Materials Box will be loaded with **only** those types of Recyclable Materials listed in the most current **List of Recyclable Materials**, a copy of which is attached.
- No Garbage, Hazardous Waste or other Non-Recyclable Materials will be placed in the box. The current **List of Non-Recyclable Materials** is attached.
- The Customer states that it will manage its Garbage collection in the following way:
 - The Customer will use on-site Garbage collection container and will arrange with the properly permitted solid waste hauler for that area to pick up and haul the Garbage.
 - The Customer will haul the Garbage itself to a disposal facility in its own vehicles operated by its own employees.
 - Other: _____

- The Customer will be responsible for removal of Garbage, Hazardous Waste or other Non-Recyclable Materials from the box.
- Loads that are unacceptable due to Garbage, Hazardous Waste or other Non-Recyclable Materials will be reloaded into Garbage containers at the Customer's expense. The Customer will remain responsible for fees incurred by T&T for setting and picking up the empty box. **T&T will not haul any containers that are unacceptable due to Garbage, Hazardous Waste or other Non-Recyclable**

Materials and Customer may be responsible for the costs of disposal if the presence of Garbage, Hazardous Waste or other Non-Recyclable Materials causes the load to be rejected by the recycling facilities to which T&T delivers the containers.

- T&T will gladly coordinate with the certificated hauler providing solid waste collection services in the area of the job-site to provide a Garbage container and/or determine pick-up frequency. Such coordination will be done free of charge but the Customer will be responsible for the hauler's fees and charges.

The Customer has read, understands and agrees to conditions stated above for placement of a T&T Recyclable Materials Box at the job site.
