Attn: Bonnie Allen

Dear Bonnie,

This letter will serve as a request to consider, (and amend, if necessary), the earlier application of Pacific Boat Enterprises, LLC's, (to Extend Operating Authority of Certificate BC-00125 to add Southworth-Seattle), to be included with this application to Transfer Authority from Pacific Boat Enterprises, LLC dba Mosquito Fleet to Mosquito Fleet, LLC.

This would eliminate the need to re-apply and re-notice the application to Extend, and would seem to be a logical request since the application to Extend is simply modifying the existing Authority.

Thank you, I know it complicates things to some degree, but please let me know if a re-application is necessary for the Extension.

Sincerely,

Michael W. Bennett
Mosquito Fleet, LLC member and Pacific Boat Ent., LLC member
