Withdrawal of Avista Corporation's request for the temporary discontinuation of natural gas demand side management programs.

Dear Mr. King:

Pursuant to WAC 480-80-131, Avista Corporation hereby withdraws its proposed tariff changes related to Schedule 190, "Natural Gas Efficiency Programs". The reason for the proposed withdrawal in this docket is so that Avista can undertake further analysis of its natural gas DSM programs in coordination with UTC Staff and other stakeholders.
