Re: Request for safety rating upgrade by Sani Mahama Maurou

Dear Mr. Maurou:

On March 9, 2016, SeaTac Airport 24, submitted to the Utilities and Transportation Commission (UTC) a request for upgrade to its safety rating. The request included a safety management plan that provides a detailed description of the corrective actions taken to address each specific violation discovered during a recent compliance review investigation and outlines how the company will stay in compliance with each requirement in the future.

Your request for upgrade has been reviewed and approved. Your safety rating is now **CONDITIONAL**. For any questions regarding this matter, please contact David Pratt at 360.664.1100 or DPratt@utc.wa.gov.

Sincerely,

A handwritten signature in cursive script that reads "David Pratt".

David Pratt,
Assistant Director for Transportation Safety
