RE: *Determining the Proper Carrier Classification of, and Complaint for Penalties Against Cascade Adventures Inc.; Cascade Adventures Baker Bus LLC*
Docket TE-190086

Dear Mr. Johnson,

Commission Staff (Staff) has reviewed the response provided by Baker Bus Ski and Snowboard Club (Company). While the Company is no longer operating as Cascade Adventures Baker Bus LLC, Staff maintains that the Company continues to operate as charter party excursion carrier without authority from the Commission and that the Commission should impose the penalty suspended in Docket TE-190086.

If the Company disagrees, then Staff requests that the Commission initiate a classification proceeding to determine whether the Company is subject to Commission regulation and that the Commission consolidate the matter regarding the suspended penalty with the classification. Given the additional information provided in the Company's response, Staff further requests that the Commission set the classification as a full adjudication to permit additional discovery.

Respectfully,

/s/ *Harry Fukano*, WSBA No. 52458
