

**Retail Services to be Competitively Classified under RCW 80.36.330:**

The following is a list of the specific Frontier retail services to be competitively classified in accordance with the Settlement Agreement executed by Frontier Communications Northwest, Inc., Staff of the Washington Utilities and Transportation Commission and the Public Counsel Division of the Washington State Attorney General's Office filed as Exhibit S-5 in this proceeding. The list identifies "services" from Frontier's General and Local Exchange Tariff and Advanced Data Services Tariff to be competitively classified. The list does not include the promotional programs and other terms/conditions associated with each of these services that will also be removed from the tariffs and which are reflected in "redline" in Exhibit S-7 (Appendix A to Settlement Agreement).

WN U-23 – Advanced Data Services Tariff

Frontier may move any/all services it offers in its ADS Tariff to an Advanced Data Services Catalog, which Frontier will maintain on its website. Frontier agrees to continue to offer those services it withdraws from the ADS Tariff, and Frontier commits to allow *existing* customers purchasing services from the ADS Tariff to continue to purchase those existing services at the rates in effect.
