Re: *Qwest Corporation v. Level 3 Communications, et al.*
Docket No. UT-063038/TCG Seattle Submission

Dear Ms. Washburn:

Pursuant to Judge Mace's letter of April 4, 2007, this is to provide the following cross-examination time estimates on behalf of TCG Seattle. Below is our anticipated cross-examination by witness, employer and estimated examination time:

- | | | |
|----|-------------------------------|------------|
| 1. | Larry Brotherson, Qwest | 30 minutes |
| 2. | Philip Linse, Qwest | 20 minutes |
| 3. | Robert Williamson, WUTC Staff | 20 minutes |

TCG Seattle does not intend to offer any cross examination exhibits but may utilize exhibits filed by other parties, and orders, decisions and/or other public record documents of which judicial notice may be taken.

TCG Seattle does not intend to cross examine any CLEC witnesses although it does reserve the right to ask questions of the MCI-metro Access witness during the settlement proposal review phase at the conclusion of the hearing. Also noted below is our understanding of the witness sequence and day of week for testimony which we have arrived at with other respondent counsel. We anticipate this sequence will be adhered to with some minor exceptions based on out-of-state witness scheduling/itineraries:

William Fitzsimmons (Qwest)
Philip Linse (Qwest)
Larry Brotherson (Qwest)
Robert Williamson (Staff)
