**NOTICE OF FURTHER CONTINUANCE OF SCHEDULE
(Until July 22, 2005)**

RE: WUTC v. Roche Harbor Water System
Docket No. UW-042132

TO ALL PARTIES:

On July 5, 2005, the parties advised the Commission that they had reached agreement in principle to settle this case. They requested suspension of the schedule until July 15, 2005, to provide them time to reduce the agreement to writing and present it to the Commission for approval. On July 15, 2005, the parties advised the Commission that they needed some additional time to resolve settlement issues, but that they expected to have finalized a settlement by July 22, 2005. They requested that the schedule be continued an additional week to allow them time to reach final settlement.

NOTICE IS GIVEN That the Staff filing deadline scheduled for July 18, 2005, is continued until July 25, 2005. If no settlement is filed by July 22, 2005, Staff must file testimony on July 25 and the Commission will notify the parties of other corresponding changes in the schedule of proceedings.

Sincerely,

THEODORA M. MACE
Administrative Law Judge
