Dear Ms. Washburn:

In response to a request from Chairman Sidran at the July 18, 2005, public hearing in the above-referenced docket, please find attached a chart indicating Puget Sound Energy’s (“PSE”) continuing electric capacity needs after considering the capacity contribution from new energy resources. This information was prepared for PSE’s upcoming request for new electric resources.

If you have further questions, please feel free to contact me at (425) 456-2797.

Very truly yours,
