- 1 Administrative Law Judge Adam E. Torem entered Order 01, Initial Order Granting Request to Dismiss Complaint Against Eman Networks, Ethos Communications Group, Inc., Norstar Telecommunications, LLC, Royal Communications, LLC, Telenational Communications, Inc., and Telmex USA, LLC; Granting Request to Find Remaining Companies in Default and Revoking Registration for Failure to File Annual Report and Pay Regulatory Fees, in this docket on February 3, 2011.
- 2 No party petitioned for administrative review of the initial order within the time for filing petitions for administrative review or received an extension of time to file such a petition. The Washington Utilities and Transportation Commission (Commission) did not give notice of its intention to review the order on its own motion.

- 3 Therefore, under RCW 80.01.060(3), the order became final on February 24, 2011, by operation of law.
- 4 In allowing this order to become final, the Commission does not endorse the order's reasoning and conclusions. If cited in the future, the order must be identified as an Administrative Law Judge's order.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
