Item 18 – Billing, Advance Billing, and Payment Delinquency Dates

Billing period. A company may bill its customers for one, two, or three months of service.

Advance billing and payment delinquency dates. The following chart defines the maximum period allowed for advance billing and the date when a bill may be considered delinquent:

Billing period	Maximum advance billing period allowed	Delinquency date
One month's service (monthly)	No advance billing allowed	May not be less than twenty-one days after the date the bill is mailed
Two months' service	One months' advanced billing allowed	May not be until the last day of the second month
Three months' service	Two months' advance billing allowed	May not be until the last day of the third month

The billing period chosen by the company operating under this tariff for residential solid waste accounts is: Two Months' Service.

Late charges. Customers with past due accounts after the delinquency dates specified in the chart above will be charged a late fee of 1% per month on outstanding balances. The minimum charge per month is \$1.00.

Whatcom County Billing. Whatcom County will be billed every 2 months for services at tariff rates as provided under Whatcom County Ordinance 2018-031 which provides for “26 annual pickups, to occur at the discretion of the customer, on any day of the approved every other week garbage collection schedule of a 32 gallon can and three-bin source separated recyclables”. Any and all services above the minimum level of service determined by the County will be billed by the company directly to the customers on the same “two months service” billing cycle. (N)

Item 30 – Limitations of Service

1. **Schedules.** A company's schedule will meet reasonable requirements and will comply with local service level ordinances.
2. **Due care.** Other than to offer reasonable care, the company assumes no responsibility for articles left on or near solid waste receptacles. The company assumes no responsibility for damage or wear and tear to customers' solid waste receptacles unless caused by the company's negligent acts. (C)
3. **Liability for damage.** When a customer requests that a company provide service and damage occurs to the customer's driveway due to reasons not in the control of the company, the company will assume no responsibility for the damage.
4. **Refusal of service.** (Except as set forth in Section 5, missed service due to unsafe weather conditions, road conditions, natural disaster, or when government authority restricts access to local roads.)
A solid waste collection company may refuse to:
 - Pick up materials from points where it is hazardous, unsafe, or dangerous to persons, property, or equipment to operate vehicles due to the conditions of streets, alleys, or roads. (C)
 - Drive into private property when, in the company's judgment, driveways or roads are improperly constructed or maintained, do not have adequate turn-arounds, or have other unsafe conditions; or
 - Enter private property to pick up material while an animal considered or feared to be vicious is loose. The customer will be required to confine the animal on pickup days. (C)
5. **Missed service due to unsafe weather conditions, road conditions, natural disaster, or when government authority restricts access to local roads.** A company is not required to collect materials when the company determines it is unsafe to operate due to weather conditions, road conditions, natural disaster, or when government authority restricts access to local roads. The company will collect on the next scheduled service date on which the company deems it is safe to operate, and will take other reasonable actions to resume or provide alternate service as soon as reasonably practicable.
 - a. The company is not obligated to extend credit to customers for missed service if the company collects the customers' accumulated solid waste on the next scheduled service date on which the company deems it to be safe to operate. The company will not charge for extra waste set out (except provided in Item 207, if applicable) in addition to customers' normal receptacle(s), if the amount of extra waste does not exceed the amount that reasonably would be expected to accumulate due to missed service.
 - b. If the company does not collect a customer's accumulated solid waste on the next scheduled service date on which the company determines it is safe to operate, the company is required to give a credit, proportionate to the customer's monthly service charge, for all missed service(s)

Item 55 – Over-sized or Over-weight Cans or Units

The company reserves the right to reject pickup of any residential receptacle (can, unit, bag, mini-can, or micro mini-can) which, upon reasonable inspection exceeds the size and weight limits shown in Item 20.

- If the receptacle exceeds the size and/or limits stated in Item 20, is overfilled, or the top is unable to be closed, but the company transports the materials, the following additional charges will apply:

(A) \$4.99 per 32 gallon can

(A) \$4.99 per oversized can

Note: For charges applying on overweight totes, carts, containers, or drop boxes see item 207.

Item 60 – Overtime Periods

Companies will assess additional charges when providing services, at customer request, during overtime periods. Overtime periods include Saturdays, Sundays, and the following holidays:

Thanksgiving Day

Christmas Day

Fourth of July

Time is to be recorded to the nearest increment of 15 minutes from the time the company's vehicle leaves the terminal until the time it returns to the terminal.

No additional charge will be assessed to customers for overtime or holiday work performed solely for the company's convenience.

Charge per hour \$70.00

Minimum Charge \$70.00

Item 100 – Residential Service – Monthly Rates (continued)

Curbside recycling provisions shown on this page apply only in the following service area:

Following is a description of the recycling program (type of containers, frequency, etc.). Program provided in accordance with Ordinance Nos. 90-95, 95-045, 97-067 and 2001-041 (as codified in Chapter 8.10 of the Whatcom County Code) of Whatcom County, Washington.

Mandatory 3-bin recycling system with every-other-week collection for single family residences.

Curbside recycling is available to all residences. (C)

Materials collected are listed on the Whatcom County website. (C)

The Hauler will provide bins which remain the property of the Hauler. Customers will be charged a replacement fee of \$15.00 (A) per bin or for lost or damaged bins.

Special rules related to recycling program:

Specific to Point Roberts and the Whatcom County Code Chapter 8.10, curbside recycling collection in Point Roberts does not have to be on the same pick-up day as scheduled garbage pick-up. The Hauler will provide a regular schedule to all customers.

According to Whatcom County Code Chapter 8.10, all residential customers must pay for curbside recycling services.

Rule 1. (C) Cardboard needs to be flattened and cut to size (2 foot by 3 foot by 1 foot maximum).

Larger quantities can be delivered to the Transfer Station per the current County Unified Fee Schedule.

(N) Rule 2. Cans and bottles/ jars must be rinsed and free of any food residue; plastic bottles must not have contained motor oil or hazardous chemicals. Plastic bottles must have the lids removed.

(N) Rule 3. No plastic Bags

Rule 4. If a recycling bin contains more than 5% contamination, the bin will not be picked up. The customer will then be given the option of removing the contamination or having the item picked up as garbage on the customer's next day of curbside service.
