Facilitation of a Commission-led workshop series on the Climate Commitment Act (U-
230161)

Dear Director Maxwell:

The NW Energy Coalition (“NWEC”) respectfully submits the attached Cost Recovery Mechanism Concept for Gas Utility Allowance Purchases under the Climate Commitment Act (Attachment A). This submission is for consideration as supplemental comments to our July 7th comments in docket UG-230470 and our May 10th comments in docket U-230161. This concept is submitted for discussion and illustrative purposes only, and is not intended to be a proposal for a specific cost recovery mechanism in these or any future docket.

Thank you for the opportunity to comment.

Respectfully submitted,

/s/ Lauren McCloy
