**Re: *WUTC v. Olympic Pipe Line*, Docket No. TO-011472  
Schedule of Witnesses**

Dear Judge Wallis:

In order to accommodate Mr. Wilson and Mr. Hanley, who have said they cannot attend the hearings next week, Olympic agreed to allow these witnesses to go out of order at the start of Olympic's case. This has created a logistical problem and other problems that we, in turn, need an accommodation to handle. Most of Dr. Schink's testimony needs to be at the conclusion of Olympic's case in order to handle questions that may arise from other witnesses testimony, including Brett Collins, Cindy Hammer, Christy Omohundro, Howard Fox and Larry Peck. In addition, Dr. Schink has testimony that must be filed in another matter on Friday, thereby compromising his ability to fully prepare on all aspects of his testimony.

As a result, we propose that Mr. Wilson and Mr. Hanley proceed with their testimony at the outset of the case and proceed until concluded, and then Dr. Schink would provide testimony on the cost of capital topics covered by those two witnesses, reserving all other topics for the conclusion of Olympic's presentation.

Following Dr. Schink, we propose the following witnesses in the following order: Bobby Talley, Leon Smith, Bill Beaver and Dan Cummings. For the following week see the attached proposed order of witnesses.

We understand the difficulty in scheduling witnesses from out of town, and we are willing to accommodate Mr. Wilson and Mr. Hanley. We appreciate in advance the accommodation that the parties are able to make to accommodate us as well. We fully understand that there may be other scheduling issues that arise, and we will remain as flexible as we can to respond to those as they occur.

Very truly yours,

  
Steven C. Marshall
