Re: Final Report on Cascade Natural Gas Corporations' Notice to Customers on General Rate Case and Proposed Rate Changes, Docket UG-170929

Dear Mr. King:

Pursuant to the procedural schedule, the Public Counsel Unit of the Washington Office of the Attorney General's Office files its final report regarding the status of Cascade Natural Gas Corporation's (Cascade or Company) Customer Notice.

The Company provided a draft of the Customer Notice to Public Counsel on November 30, 2017. Public Counsel provided its first set of comments on the notice on December 8, 2017, and the Company promptly provided feedback to Public Counsel's comments on December 11, 2017.

Additionally, Public Counsel contacted Commission Staff (Staff) regarding the draft Customer Notice, as well for details concerning the Public Comment Hearing locations and times. Staff provided feedback to the Company and provided all parties with the Public Comment Hearing dates on January 18, 2018.

On January 24, 2018, the Company provided parties with their final draft of the Customer Notice. Staff and Public Counsel both submitted comments by January 25, 2018. The Company provided feedback on the parties' comments and incorporated the edits into their notice.
