Re: UT-043013; Amendments Implementing Order 19

Dear Ms. Washburn:

Pursuant to Order 19, enclosed are the original and two (2) copies of the following amendments: (i) the final Amendment to Interconnection Agreement between Verizon Northwest Inc. ("Verizon") and the parties to the arbitration conducted in the above-referenced docket and (ii) the amendment between Verizon and MCI metro Access Transmission Services LLC d/b/a Verizon Access Transmission Services referenced in paragraph 50 of Order 19.

The final amendment referred to in (i) above was finalized in a joint effort to comply with Order 19 conducted by Verizon and the other parties to the arbitration. Although certain CLECs expressed some initial reservations about the draft amendment that Verizon circulated, those reservations have been resolved, and no party has expressed any issues with the attached amendment.

Upon approval of this amendment pursuant to section 252(e)(4) of the Communications Act, Verizon will execute it with the parties to this arbitration and file such executed amendments with the Commission.

Sincerely,

Gregory M. Romano
