Re: Docket No. UT-063038 – Broadwing Communications LLC's
Response to Bench Request 2

Dear Judge Mace:

I have reviewed Broadwing Communications LLC's Response to Bench Request 2. Unfortunately, I believe they have answered the wrong question. The question that I posed, that you directed that they respond to was to have the witness accept subject to check that Broadwing/Focal had not paid any amounts to WECA of the WECA universal service access charge rate element that it has assessed to carriers.

I am attempting to resolve this matter with Broadwing's counsel. However, I wanted to be on the record as objecting to the characterization that Broadwing placed on the question that was asked.

Sincerely,

RICHARD A. FINNIGAN
