RE: *Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc.*,
Dockets UE-072300, UG-072301 and UG-080064 (*consolidated*)

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered its Order 05 Granting Consolidation and Final Order Authorizing Tariff Revisions in this docket on February 13, 2008. The order consolidated Docket UG-080064 into Dockets UE-072300 and UG-072301, and approved tariff revisions by Puget Sound Energy, Inc. (PSE), filed on January 9, 2008, in Docket UG-080064, which would remove Schedule 50, Compressed Natural Gas Service For Motor Vehicles from PSE's WN U-2 Tariff for natural gas service. The order authorized and required the Company to make a compliance filing as necessary to effectuate the terms of Order 05, and authorized the Commission's Executive Secretary to approve the authorized filing by letter if it complied with the terms of the order.

On February 14, 2008, PSE filed a tariff sheet to WN U-2, 3rd Revision of Sheet No. 3-B – Index (continued), as specified in the order. The Commission has examined the filing and it appears to comply with the terms of the order.

Therefore, pursuant to terms of the Commission's Order 05 in this proceeding, the tariff sheet indicated in this letter will become effective as filed with an effective date of February 16, 2008.

Sincerely,

CAROLE J. WASHBURN
Executive Secretary
