Re: Docket No. UT-061625 – Petition for Approval of AFOR
Bench Requests 2 and 3

Dear Ms. Washburn:

Qwest respectfully requests that the Commission accept its responses to Bench Requests 2 and 3, filed today with the records center. Though Qwest believed that the electronic copies of the responses would be filed on March 5, the attachments were simply too big to transmit via e-mail, and were therefore placed on a disk and sent to the Commission via overnight delivery. In addition, Qwest requests that the Commission accept a supplemental response to Bench Request 3 which will be filed as soon as the information becomes available, which Qwest anticipates will be March 7, 2007.

Sincerely,

Lisa A. Anderl
