RE: *Washington Utilities and Transportation Commission v. Northwest Natural Gas Company*,  
Dockets UG-200994, UG-200995, UG-200996, and UG-210085 (Consolidated)

TO ALL PARTIES:

On October 21, 2021, the Washington Utilities and Transportation Commission (Commission) entered its final order, Order 05, Final Order Approving and Adopting Settlement Agreement (Order 05) in the above-referenced dockets. Order 05, among other things, required Northwest Natural Gas Company (NW Natural or Company) to file tariff sheets in compliance with Order 05 no later than five business days prior to the tariff's stated effective date.

On October 14, 2022, NW Natural filed revised tariff sheets with a stated effective date of November 1, 2022.

On October 31, 2022, Commission staff (Staff) filed a letter in the above-referenced consolidated dockets stating that Staff had reviewed the revised tariff sheets and believes that the filing complies with the terms of Order 05 and the Joint Settlement Agreement approved therein.

The Commission finds that the revised tariff sheets NW Natural filed on October 14, 2022, comply with Order 05. The Commission approves the revised tariff sheets, which will become effective on November 1, 2022.
