

WASHINGTON  
**UTC**  
UTILITIES AND TRANSPORTATION  
COMMISSION

**TO:** Daye Pratt, Assistant Director, Transportation Safety  
**FROM:**  Tina Leipski, Transportation Specialist 3  
**DATE:** May 23, 2012  
**SUBJECT:** Docket TV-110612; Application for Permanent Authority

---

On April 4, 2011, Jason M. Nelson, d/b/a Parker's Moving Service, filed Docket TV-110612 requesting permanent household goods authority.

The commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier permit THG-64257, since April 26, 2011.

Under WAC 480-15-330, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, reports, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator John Foster completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator Foster found the company in general compliance and on May 9, 2012, he recommended the applicant be considered for permanent authority.

The current provisional permit THG-64257 is in order as follows:

- Records Center has the 2011 annual report on file.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against THG-64257.
- Consumer Affairs does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.
- Company rep attended HHG training on May 9, 2011 and July 12, 2011.

I recommend the commission grant TV-110612 without hearing and reissue Permit HG-64257 to Jason M. Nelson, d/b/a Parker's Moving Service, as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.
