RE: Carrier Access Reform Compliance Letter (Docket UT-111761)
Common Point LLC

Dear Commission:

This Letter of Compliance is being filed in Docket UT-111761 pursuant to the third phase of the FCC's USF/ICC Transformation Order (FCC-11-161). The FCC's third phase of intrastate access reductions, which are to occur no later than July 1, 2014, instruct CLECs to reduce intrastate access terminating switched end office rates and reciprocal compensation. As a tandem access provider, Common Point does not assess or tariff end office rates, thereby making the third phase inapplicable to Common Point. Due to this, there is nothing in Common Point's access guide to revise.
