Re: *In the Matter of the Petition of Puget Sound Energy, Inc., for Approval of a Power Purchase Agreement for Acquisition of Coal Transition Power, as Defined in RCW 80.80.010, and the Recovery of Related Acquisition Costs*  
Docket UE-121373

*In the Matter of the Petition of Puget Sound Energy, Inc. and NW Energy Coalition For an Order Authorizing PSE to Implement Electric and Natural Gas Decoupling Mechanisms and to Record Accounting Entries Associated with the Mechanisms, Dockets UE-121697 and UG-121705 (Consolidated)*

*Washington Utilities and Transportation Commission v. Puget Sound Energy, Inc., Dockets UE-130137 and UG-130138 (Consolidated)*

TO ALL PARTIES:

On March 22, 2013, the Washington Utilities and Transportation Commission (Commission) held a joint prehearing conference in Dockets UE-121373, UE-121697 and UG-121705 (consolidated), and UE-130137 and UG-130138 (consolidated).

On April 8, 2013, Commission Staff (Staff) filed a letter with the Commission noting an error in the March 22, 2013, prehearing conference transcript in Dockets UE-121697 and UG-121705. Staff proposes an erratum as set forth below:

At page 50, line 25, “discovery” should read “decoupling,” as in “we’ve been kicking this ~~discovery~~ decoupling thing around at the Commission for a long time....”

This erratum notes and corrects the March 22, 2013, transcript, volume 1, as reflected above in Dockets UE-121697 and UG-121705, and UE-130137 and UG-130138.

This erratum further notes and corrects this change for purposes of the March 22, 2013, transcript as recorded in volume 6, page 491, line 25, in Docket UE-121373.
