NOTICE GRANTING WAIVER OF FILING REQUIREMENT

RE: *Washington Utilities and Transportation Commission v. Waste Control, Inc.*, Docket
TG-140560

TO ALL PARTIES:

On April 3, 2014, Waste Control, Inc. (WCI or Company) filed with the Washington Utilities and Transportation Commission (Commission) new Tariff No. 16 reflecting a general rate increase that, if approved, would generate approximately \$532,000 (15.4 percent) in additional revenue. The Commission suspended the Company's tariff revision on April 10, 2014.

On June 8, 2015, the Commission entered Order 12, Initial Order Rejecting Tariff Filing, Accepting Partial Settlement Agreement, and Authorizing and Requiring Tariff Filing.

On June 24, 2015, WCI submitted a letter requesting a partial waiver of the filing requirements in WAC 480-07-145(6)(a)(i) and (ii) to allow the Company to file and serve its petition for administrative review electronically by 5:00 p.m. on the date by which it must be filed, June 29, 2015, with hard copies mailed to the Commission and the other parties postmarked on that same day.¹ The Commission finds the request reasonable and grants it.

THE COMMISSION GIVES NOTICE that WCI may file and serve its petition for administrative review of Order 12 electronically by 5:00 p.m. on Monday, June 29, 2015, with hard copies mailed to the Commission and other parties that same day.

DENNIS J. MOSS
Senior Review Judge

¹ WCI also states that it intends to file updated versions of two exhibits admitted into the evidentiary record. The Commission will address that filing when the Company makes it.
