NOTICE OF FURTHER CONTINUANCE OF ALL PROCEDURAL DATES

Re: *Network Essentials, Ltd v. Grant County Public Utility District*,
Docket UT-051602; *Bigdam.net v. Grant County Public Utility District*,
Docket UT-051742.

TO ALL PARTIES:

The principal parties filed on March 17, 2006, a request for an additional 30 day continuance of the procedural schedule. The Commission granted their first request for continuance on February 21, 2006. Staff does not object to the current request.

The request states that the principals engaged in discussions on March 6, 2006, and that talks are continuing. The parties request a second 30-day continuance to provide additional time for such discussions to proceed without the distraction and expense of meeting impending filing dates in the current procedural schedule.

The Commission finds good cause to grant the requested continuance. The Commission also finds the efficient administration of its business requires a showing that the parties have made substantial progress toward settlement, if the parties make any further request for continuance beyond that granted here.

THE COMMISSION GIVES NOTICE that the procedural schedule in this proceeding is continued for 30 days. The revised procedural schedule is attached.

THE COMMISSION FURTHER GIVES NOTICE that any subsequent request for further continuance must include a showing of substantial progress toward achievement of a negotiated agreement.

Sincerely,

DENNIS J. MOSS
Administrative Law Judge
