Subject: United States Cellular Corporation - 2010 Annual ETC Recertification  
Docket No. UT-101289

Dear Mr. Danner:

At the request of Staff, we are filing through the Commission's web portal an Adobe version of Exhibit M to U.S. Cellular's ETC recertification filing - the triennial coverage map. As with the original filing, Exhibit M is labeled "CONFIDENTIAL," and should be handled accordingly, as set forth in our filing cover letter dated July 29, 2010 ("Pursuant to RCW §80.04.095 enclosures designated as "confidential" contain valuable commercial information, including trade secrets and confidential marketing, cost, or financial information, or customer-specific usage and network configuration and design information. Accordingly, pursuant to RCW §80.04.095 such information should not be subject to inspection or copying under RCW Chapter 42.56. Moreover, the records designated as "confidential" contain valuable formulae, designs, and research data, the disclosure of which would produce private gain and public loss and should be exempt from public disclosure pursuant to RCW 42.56.270(1).").
