**Subject:** FW: Compliance action notice for 090839

Hi again Maria—thanks for the resend of the use data. It is now part of the official record.

This is a VERY early reminder that along with the upcoming rate case filing due 7/15, Cristalina is also due to file surcharge accounting information by August 15 (the quarterly report that's required.) If you need another copy of the reporting form let me know and I will email it, but I think you probably have it from your last report.

Thanks!

Hi Maria—Two Items.

*First*, water use data for May was due on June 10 and is now overdue. You do have a spreadsheet on which you've been compiling data. I look forward to receiving that shortly.

*Secondly*, I've forwarded a note from our compliance tracking system that shows that your filing for temporary metered rates is due by July 15. I hope you're pulling together cost information and look forward to working with you to get metered rates put together.

Thanks for your continued work for the water company with the commission.

**To:** White, Amy (UTC); Eckhardt, Gene (UTC)  
**Subject:** Compliance action notice for 090839

This is your notice for a compliance action due on 07/15/2010 for docket 090839 and company Cristalina, LLC. Description of compliance action: Once all customer meters have been installed and are in use, and two months of usage data exists, the parties agree that Cristalina will file for temporary metered rates. This should happen within 120 days of the meters being installed and placed into use (the completion date). If the completion date was 2/15/10, this is due 6/15/10.
