**Re: Corrected Appendix F Data Input File to PSE's 2023 Final Gas Utility
Integrated Resource Plan
Docket UG-220242**

Dear Ms. Maxwell:

On March 31, 2023, Puget Sound Energy ("PSE") filed its final 2023 Gas Utility IRP in the above-referenced docket.

It has been brought to our attention that cell BA33 in the Total System Average Cost tab of the Appendix F: Gas IRP Results spreadsheet was mis-labeled as the Preferred Portfolio. This label has been moved to cell AX01. Additionally, in the Summary of Emissions tab, data in cells C13 were erroneous. This has been corrected. A corrected version of the spreadsheet is attached. No other changes were made.

If you have any questions about the information contained in this filing, please contact Phillip Popoff, Director, Resource Planning Analytics, at (425) 462-3229. If you have any other questions, please contact me at (425) 456-2142.

Sincerely,

/s/ Jon Piliaris
