Subject: RE: Tariff Status Check

Hi Mike,

Yes we posted the staff letter. Now it is up to the third floor to do their part. I do not know what day they will stamp on the tariff for the effective date. I would expect the Letter from Mark Johnson to state the effective date, but I may be wrong. Either way the case is coming to a close and I think we all learned new information and processes for the future cases and they will (fingers crossed) go more smoothly.

Sincerely,

Scott

Ann/Scott,

I assume you submitted the letter indicating the tariff submission was in compliance (I also modified WTB-11 to run some checks in addition to using SS-3r schedules; not all exact but pretty close).

Do you know if/when they will assign an implementation date?

Thanks.

Mike
