Re: *Washington Utilities and Transportation Commission v. Cascade Natural Gas Corporation*, Docket UG-152286

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 04, Final Order Approving Settlement Agreement, (Order 04) in Docket UG-152286 on July 7, 2016. Order 04, among other things, required Cascade Natural Gas Corporation (Cascade or Company) to file a third-party program audit of its decoupling mechanism following the end of the third full year.

On September 15, 2021, the Commission entered Order 06, Order Extending Decoupling Mechanism and Requiring Tariff Filing (Order 06). Order 06 required Cascade to file revised tariff pages.

On March 12, 2021, Cascade filed with the Commission a third-party evaluation report of its decoupling mechanism for the 2017-2019 period. On September 23, 2021, the Company filed a replacement report (Third-Party Report).

On September 27, 2021, Cascade filed the revised tariff sheets (Revised Tariff Sheets) with an effective date of October 18, 2021, for its decoupling mechanism.

On October 4 and 5, 2021, Commission staff (Staff) filed letters stating that Staff had reviewed the Revised Tariff Sheets and Third-Party Report and believes that they comply with the requirements of Order 06 and Order 04, respectively.

The Commission has reviewed the Revised Tariff Sheet and the Third-Party Report and finds that they comply with the requirements of Order 06 and Order 04. The Revised Tariff Sheets will go into effect on October 18, 2021.
