WUTC STAFF DATA REQUEST NO. 033

WUTC STAFF DATA REQUEST NO. 033:

Please explain how the additional funding provided from the Enron Settlement will impact Tariff Schedule 83, Item 10 (page 6 of Exhibit No. Joint-8).

Response:

This additional funding does not change the amount budgeted by Puget Sound Energy, Inc. ("PSE") for energy efficiency programs, which is shown in Schedule 83, Section 10. Section 3 of Schedule 83 provides for additional sources of funding and PSE considers funding from the Enron Settlement an additional source. The additional funding provided from the Enron Settlement is not funding that is to be collected under Schedule 120 and, therefore, as provided in Section 3, may be specified in individual Energy Efficiency Programs.
