

BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION**Docket Nos. UE-151871 UG-151872
Puget Sound Energy's
Electric and Natural Gas Equipment Lease Service****PUBLIC COUNSEL DATA REQUEST NO. 036****PUBLIC COUNSEL DATA REQUEST NO. 036:**

With respect to the highly confidential pricing model of the Puget Sound Energy leasing program provided to Staff and Public Counsel on February 19, 2016, in the worksheet entitled "Market Share Assumptions (HC)", at Excel row 38, please provide an explanation of the portion or percentage of those units that PSE expects to be 95 percent efficient gas furnaces, and the portion or percentage that are expected to be 80 percent efficient gas furnaces. If a specific study, analysis, or source was relied upon to support this assumption, please provide a copy of and/or link to the source, study or analysis.

Response:

Please see Puget Sound Energy's response to Public Counsel Data Request No. 035 regarding assumptions associated with installation feasibility of natural gas furnace equipment. Please also note that such assumptions were not used as inputs in the buildup of the units expressed in Excel row 38 of the worksheet entitled "Market Share Assumptions (HC)" of the highly confidential pricing model.
