

**BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION
COMMISSION**

**In the Matter of the Petition of,

QWEST CORPORATION

For Competitive Classification of
Basic Business Exchange
Telecommunications Services**

DOCKET NO. UT-030614

**DECLARATION OF
HALEH DAVARY
IN SUPPORT OF MOTION**

I, Haleh Davary, declare under penalty of perjury under the laws of the State of Washington that the following is true and correct:

1. I am the Regulatory Compliance Analyst of WorldCom, Inc., the parent company of MCI WorldCom Communications, Inc. and MCImetro Access Transmission Services, LLC (collectively "MCI"), both competitive local exchange carriers operating in Washington.

2. I submit this declaration on personal knowledge of the facts declared herein.

3. I supervised the compilation of the previous business line data submitted to the Washington Utilities and Transportation Commission in connection with the request for data that we received from the Commission Staff.

4. I have recently been advised that the Commission Staff intended us to include in our response only services that are delivered to customers in analog form. We did not understand this when we submitted our original data, and therefore included all voice business lines, including digital.

5. I received several communications from Staff during the process of

compiling MCI's responses. I was not, however, asked about whether our information included both digital and analog lines.

6. We have submitted amended responses to the Staff, supplementing them to remove the digital lines.

DATED and SIGNED at San Francisco, California, on October 6th, 2003.

A handwritten signature in cursive script, appearing to read "Robert Dewary". The signature is written in black ink and is positioned above a horizontal line.
