Re: Agreement for Extension of Deadlines (Waste Connections, Inc. v. ECTI et al., Cause No. TG-071194)

Dear Judge Mace:

This letter is to inform your office of another voluntary extension of deadlines in this matter, moving dates for the Second Data Request. This schedule change is attributable to my unanticipated need for medical leave, and I very much appreciate Mr. Wiley's accommodation of my request. The Second Data Request Date will now occur on December 3, and Second Data Request Response will December 17.

A second prehearing conference was scheduled for November 28, which at the time was intended to take place following the completion of discovery. While the parties are still willing to attend a conference on that date, it makes more sense to reset it after discovery closes. If you choose to do so, Mr. Wiley and I are presently available the week of December 17th, January 10 and 11, and January 14-17.

Sincerely,
