**RE: Natural Gas Repair Services**

Dear Ms. Washburn:

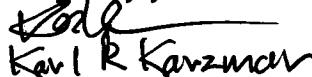

In compliance with the Fourth Supplemental Order in Docket No. UG-931405, for informational purposes Puget Sound Energy ("PSE") files the following revisions to its gas customer service pricing policy:

Heating Equipment Checkup, "THE CHECKUP"  
Repair Service

These revisions don't apply to any safety-related services provided under Rule No. 24, on Sheets 38 and 38-A of PSE's natural gas tariff. PSE will continue to provide all emergency service for customers at no charge. The new prices are applicable to repair and inspection work performed outside of Rule No. 24 and at customers' requests.
